

INVITATION

ESCRS CONGRESS BARCELONA 2024

[Sunday]

EuroTimes Satellite Symposium Advancing Functional Vision in Public Health Care: Benefits of Monofocal Plus IOLs in Cataract Surgery

Johnson&Johnson

Advancing Functional Vision in Public Health Care: Benefits of Monofocal Plus IOLs in Cataract Surgery.

Join the event to explore the benefits of Monofocal Plus IOLs in cataract surgery. Gain insights on enhancing Monofocal IOLs, expanding use in comorbid patients, emphasizing intermediate vision, and understanding functional classifications from leading experts.

Moderator:

Dr. Mayank Nanavaty (United Kingdom)

Presenters:

- Prof. Rita Mencucci (Italy)
- Dr. Rosa Giglio (Italy)
- Prof. David O'Brart (United Kingdom)
- Dr. Joaquín Fernández (Spain)
